Street Parking

The HOA has been receiving complaints regarding the increase in cars parking along the streets in front of houses. Please be respectful of your neighbors, If you vehicle is parked directly across from another driveway, it makes it difficult to get past the vehicles. Your neighbor may need to have a car towed and the tow truck needs to back a vehicle in, this can be major struggle. Please respect the area by using your driveway. Commercial Vehicles must be parked in the driveway and off the street. We are concerned with site issues. Some of the streets have curves and seeing around commercial vehicles, becomes a problem. Please be advised that it's a code violation to park Commercial Vehicles on the street. Please park your Commercial Vehicles in the Driveway. All Homes in the HOA have a two car garage and enough driveway space for 4 vehicles, please use your garages and driveways. Please avoid parking on the street.

TREES

We have some Ash Trees that are dying and they will need to be removed. We have a willow tree down along the drainage ditch, we will be getting the tree removed. And trimming up the ash trees when we have the funds.

NEXTDOOR:

Consider signing up for nextdoor, to be informed on what's happening in the neighborhood and neighboring areas. It's easy: go to Nextdoor.com, put in your address and email address and you're signed up. Nextdoor is great for posting lost pets, found pets, for sale items. Olathe Trails Currently has 179 residents signed up.

Speeding Vehicles

The HOA has been made aware of vehicles speeding along 125th Street. An accident occurred along 125th Street. We ask that everyone keep the speed at 20mph no more than 25mph.

The city will be posting the necessary traffic control in this area to monitor the traffic and speeding in the subdivision.

Property

We have had a number of properties that have been purchased by out of state investment companies. These companies are paying over the top prices. This will result in the property taxes to increase for the rest of the area. The Rent the investment companies are charging is causing multiple families to move into the single family houses.

With multiple families moving into a single family home, it's a rental property so the renters do not care if the lawn is mowed or the weeds are mowed or not. This also creates a parking problem, because they have multiple vehicles.

If you are considering selling, please reconsider selling to out of state investment companies. You will get the same price if you wait and sell to a single Family. This will Keep our neighborhood a family area.

We have two properties that were purchased by Flipping companies, they will rehab the property and then resale. Hopefully they will sell to a single family.

The Renters are getting around the City requirement of single families. The single renter gets approved and moves in then he rents out rooms to cover the higher. Renters don't care about the property.

Big Ticket Items

The City will not pick up Furniture, TV's, Desks or any other items that will not fit in the Trash Bins, please call the city for big ticket pick-up, call the following number to arrange for pick-up: 913-971-9045. There is a charge for big ticket items, the charge will appear on your next water bill.

Lets Talk Dues

If you just moved into our subdivision, Welcome. We hope you enjoy our subdivision and what we have to offer.

Common Area, we have play equipment throughout the subdivision for everyone's enjoyment. If you see a problem, please report it to the board thru our email: olathetrails@gmail.com.

Sidewalks, we were one of the first subdivisions to provide walking trails. It quickly gained popularity and walking areas are now located throughout the area.

Lights, the walking areas in Olathe Trails, have lights to make walking after dark safe. Please report any light out, the poles are numbered. Please report to olathetrails@gmail.com

Dues: The dues help to keep the above areas maintained and updated. We appreciate everyone who pays promptly. When dues are not paid, we have to file liens against the property, this ensures that we will be paid if and when the property is sold.

By paying your dues, enables us to update the areas. the lawn care being our major expense, we have to raise the dues to cover our expenses.

If you have any questions, please direct them to the email address: olathetrails@gmail.com

Thanks again for supporting the HOA and our efforts to keep our subdivision looking nice.
